The undersigned agrees that he/she is ordering a copyrighted lease exclusively licensed to WI-CARH and that the lease may not be duplicated, reproduced, or photocopied in any manner except to provide a copy for the tenant or the home office. Leases may not be resold.

Signature: _____ Date: _____

ELECTRONIC VERSION

Annual Fee

Place a check mark next to the electronic version you need. *If you use another software program, contact WI-CARH office to see if it's compatible.*

FHA Software Generated Lease: If you are a current *FHA Software* program user, WI-CARH Residential Lease documents can be generated from the RD 3560-8 Tenant Certification – PRINT Options window with all applicable project, unit, and tenant information automatically inserted.

Stand-alone WI-CARH Lease Generation Program: A link will be sent to you that allows you to download and install the WI-CARH Lease Generation program which includes pre-entered property listing information you provided. To produce a lease, just open the program, select the property, enter pertinent tenant information and print.
